

The XVI GENERAL CHAPTER of the Sisters of Our Lady of Apostles July 2013

Women Apostles,
rooted in the Word of God,
dare to be seeds of communion and hope

"Live in unity... and they will believe..."
Jn 17:21

16th Day of the Chapter

We continue our reflection on the theme of 'Structures' within the context of our congregation. Our focus today has been on the Tanzania insertion and the Province of francophone Africa. Requests had been made by the two Provinces to be considered for a Region and Re-structuring respectively.

The two Provincials (francophone Africa and Ireland) presented their present realities to the assembly and gave justifications for their request. Tanzania made a formal request to become a Region, under the Irish Province; whilst the Province of francophone Africa presented a model to be used for re-structuring and re-grouping the current countries that form the Province for easy management in the service of mission.

We know you are praying for and with us; and we entreat you to intensify your prayers and keep the Holy Spirit on the watch - All in the service of Mission and with Mary the mother of Jesus. May God help us!
